About me

Newly graduated in Industrial Design Engineering, with 1 year experience as a graphic designer.

I am a passionate designer, I work hard until I get results that I am really happy with. I love working in a team but I am also able to work independently.

Industrial Design Engineering | Degree

Politecnical University of Valencia, Spain

ERASMUS HE-ARC Neuchâtel, CH | Industrial Design Eng.

ERASMUS Hochschule Augsburg, DE | Interactive Media (UX Design)

Work Experience

UX/UI Designer
Freelance

November 2023 - Now

- UX MOCA website: Personal project
- Website for Curefab Technologies GmbH: Project for a company

Graphic Design

Future Fibres Rigging Systems, S.L.

2022

- Made graphics for all the NTG Group brands: Future Fibres, Southern Spars, Hall Spars, RigPro and Synapse.
- Updated the branding of products, internal and external documents, and merchandising to follow the new corporate image of the brand.
- Created graphic materials for events such as the MYS or the METS.
- Worked on adverts for magazines and social media.
